Dear Santa

Grown-up edition, in all honesty

For grown-ups | Tongue in cheek

This year, I've been:

- [ ] exemplary
- [ ] mostly good
- [ ] let's discuss in private

In my defense:

- [ ] I answered (almost) every message in the family group chat
- [ ] I watered the plants more often than they'd tell you
- [ ] I said nothing when "that one summer" came up again
- [ ] I returned the casserole dish (eventually)

What I'd really like:

What I need but will never buy myself:

Under the tree, I'll leave:

- [ ] a glass of milk
- [ ] a cup of eggnog
- [ ] the last slice of pie
